

Windermere Preparatory School

6189 WINTER GARDEN VINELAND RD., WINDERMERE, FL 34786 | 407-905-7737
 INFO@WINDERMEREPREP.COM | WINDERMEREPREP.COM

Windermere Preparatory School is a private, Pre-Kindergarten through Grade Twelve International Baccalaureate (IB) college preparatory school located on a 48-acre lakeside campus with state-of-the-art facilities. Windermere Prep's academic approach is built on complex problem solving and critical thinking, emphasizing intellectual, personal, emotional and social growth. Our academics are complemented and enriched by a multitude of resources and extracurricular activities, such as fine and performing arts, athletics, clubs and community service. We are comprised of thinkers, learners, leaders, innovators, artists, student-athletes and a faculty of master teachers. Windermere Prep is accredited by the Southern Association of Colleges and Schools, Florida Council of Independent Schools, the Florida Kindergarten Council, and the Southern Association of Independent Schools.

Windermere Prep is the only private school in Central Florida to be awarded status as an International Baccalaureate (IB) World School. IB is a world-class university preparation program widely recognized by college admissions offices and has been called the gold standard of education around the world. The International Baccalaureate Diploma Programme (IBDP) is a stimulating two-year program of international education. The IBDP is a comprehensive pre university course of study, leading to examinations, that demands the best from motivated students and teachers. Beyond completing college-level courses and examinations, IBDP students are also required to engage in community service, individual research, and an inquiry into the nature of knowledge. The

two-year course of study leads to final examinations in six subject areas and a qualification widely recognized by the world's leading colleges and universities. As part of the Nord Anglia Education of Schools, Windermere Prep collaborates with world-leading organizations and experts including Massachusetts Institute of Technology (MIT) for our innovative STEAM curricula and The Juilliard School for our Fine Arts Programs offered at all ages.

In addition to the Windermere Prep academic curriculum, our athletic program has nearly 60 Middle and High School teams competing in Florida High School Athletic Association (FHSA) programs, with student participation over 74% campus-wide. To complement the Windermere Prep academic and athletic programs, our comprehensive fine and performing arts program strives to unleash expression and unlock the passions of all our students. Our collaboration with The Juilliard School comes to life in our visual arts, theatre, media arts, music and dance at all ages. We were nominated for 33 Applause Awards in the 2019 -2020 school year.

Community service is also of primary importance, and the dedication to service work reflects the deep belief of Windermere Prep that students are at their best and truest selves when helping others. Students learn at an early age that they can have a positive influence on others and the world around them through community service. As an International Baccalaureate World School and one of Nord Anglia Education's family of sixty-six international schools, Windermere Prep provides students with a global perspective both inside and outside the classroom.
