

Trinity Preparatory School

5700 TRINITY PREP LN., WINTER PARK, FL 32792 | 407-671-4140
TRINITYPREP.ORG

For over 50 years, Trinity Preparatory School of Winter Park has been an educational leader in Central Florida. It started in 1968 with 173 students in grades 7-12 and has since grown to include grades 6-12 and over 850 students. As a preeminent preparatory school in the area, Trinity Prep has a mission to develop individuals who will excel in college and in life. After graduation, 100% percent of Trinity Prep graduates continue their education at colleges around the country. It's because of this statistic, and many other notable factors, that Trinity Prep is considered the No. 1 private high school in the Orlando area by Niche, a leading school analysis site. Niche also affirms Trinity Prep as the best STEM high school in the Orlando

area. Trinity Prep encourages students to explore what excites them and examine their intellectual, artistic, physical, and spiritual lives. Teachers and administrators alike encourage students to learn about themselves and the world. From photo documentary workshops in Southeast Asia to the tropical beaches of Fiji, there is no horizon Trinity Prep students won't chase. If sports are what you're looking for, this school can surely support your athletic passion. Trinity Prep has 59 sports teams as well as individual sports; Trinity Prep is proud of their long legacy of alumni competing in sports, both collegiately and professionally, after graduation. At Trinity Prep, learning and fun are one and the same, a place where students can achieve their dreams.

DID YOU KNOW? Trinity Prep allocates approximately \$2.1 million in need-based Tuition Assistance and Scholarships each year.

Trinity Prep is the Place
